

## **Safety, Health and Environmental Division (QS)**

The Safety, Health, and Environmental Division (SHED) enables its customers and partner organizations to achieve mission success by providing professional safety, health, and environmental services and programs, which are protective of the environment and community.

### **Plum Brook Team**

Provides safety, health and environmental program support for Plum Brook Station Operation.

### **Construction Team**

Provides technical support in the areas of Safety, Health and Environmental programs to all construction activities at Lewis Field and Plum Brook Station.

### **Facility Team**

Provides EH&S support for planning, design, maintenance, remediation, and inspection related to infrastructure and environment.

### **Operations Team**

Enables the Center to operate in a manner that is safe, healthy and protective of the environment and community.

### **Compliance Team**

Identifies and maintains regulatory compliance for the Division and the Center.
